

User worked crossing

- Stop, look both ways and listen.
- Obey signs.
- If a train is not coming open the gates on both sides of the railway.
- If a train is not coming and your exit is clear, cross quickly and stay alert. Do not stop on the crossing.
- Close both gates after crossing, never leave them open.
- If crossing with a vehicle, consider how long it will take to cross. How heavy is your vehicle and load? What's the clearance of your vehicle – will it hit lines above or is there a risk of it grounding?
- If crossing with animals, consider how long it will take to cross and whether they are likely to stray onto the railway.
