

Delivering for Our Customers: Transforming Network Rail

Whitehall Industry Group

Mark Carne, Chief Executive.

18th October 2016

Britain has the safest railway in Europe

- Fastest growing;
- Safest;
- Most congested;
- 2nd lowest subsidy;
- 7th most reliable.

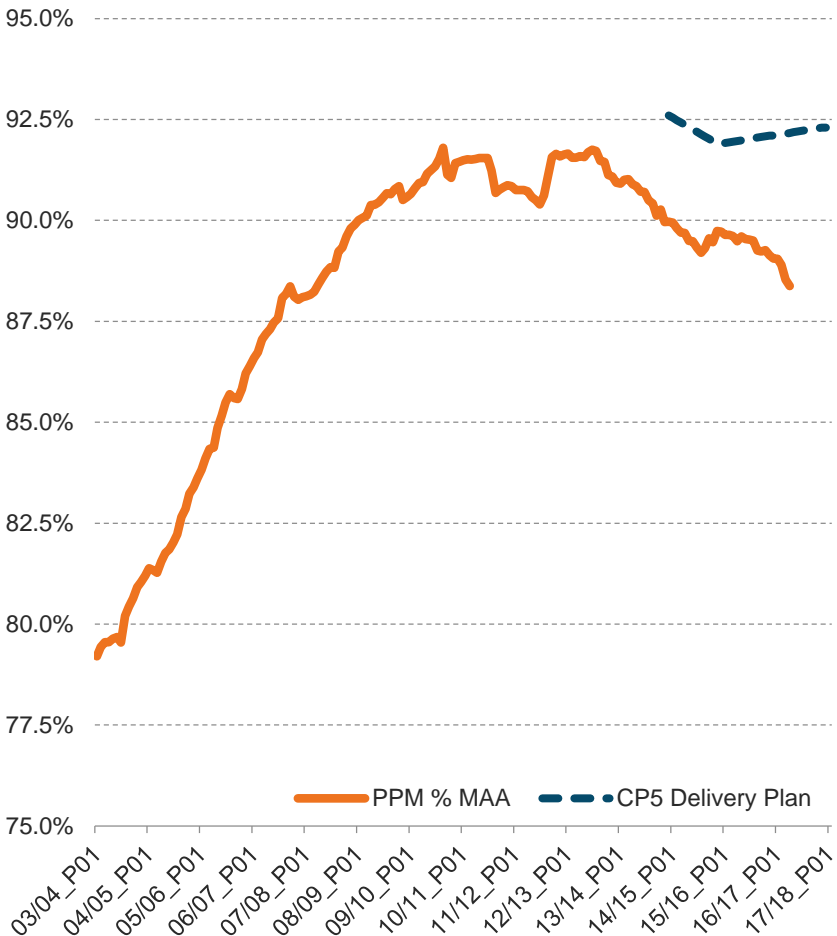

Delivering the biggest investment programme, with the least access time

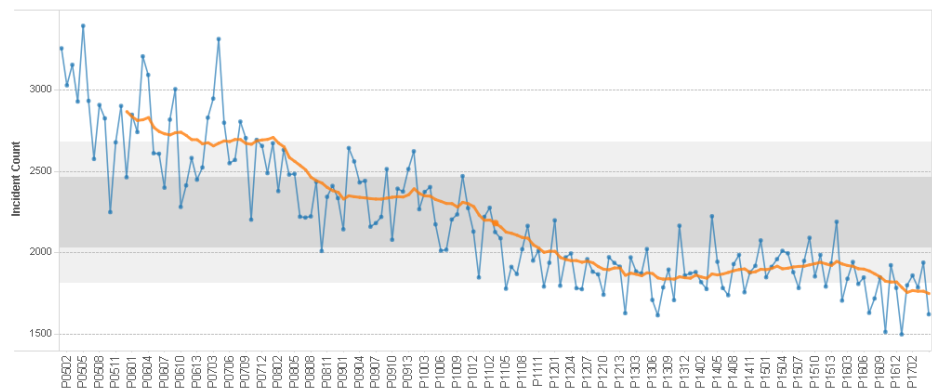

Growth brings congestion challenge

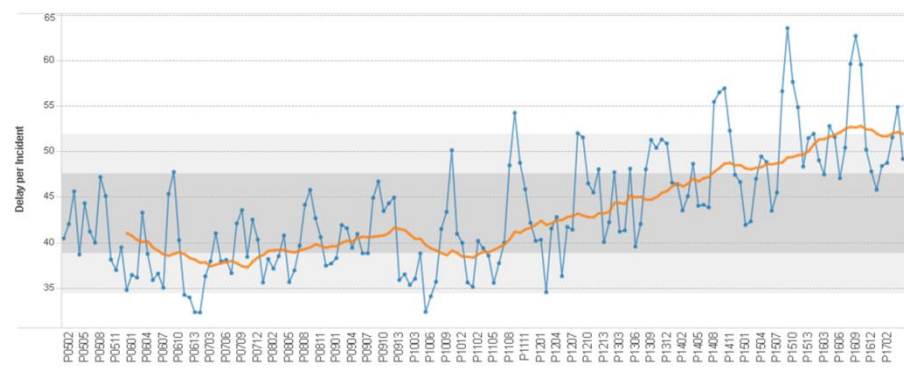

National PPM MAA – 2003/04 to 2016/17

Delay incident events

Delay per incident

Our Rail Upgrade Plan responds

London Bridge

Birmingham

Crossrail

Manchester

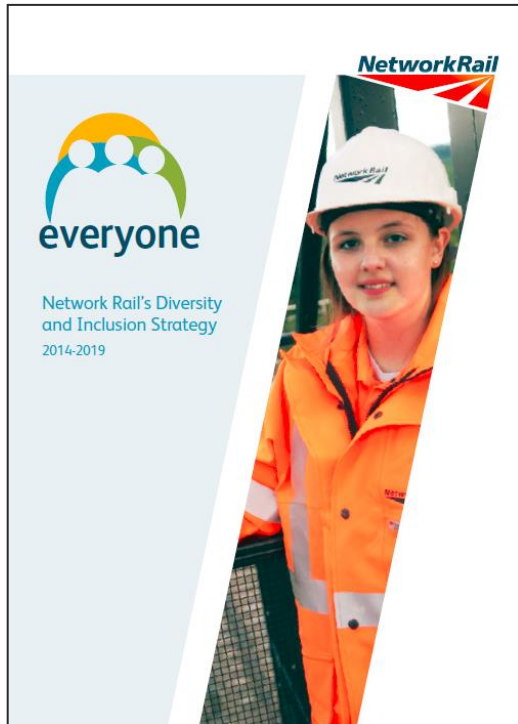

Borders

We must transform to be fit for future

Creating an inclusive culture to attract the best

We will align our work on diversity and inclusion with our safety culture, transparency, ethics and health and wellbeing objectives.

Digital railway – creating capacity

More trains

Lower carbon footprint

Safer

Faster trains

Greater reliability

Digital Railway
