Filton Bank Four-tracking – overnight piling work at Ashley Hill

As our crucial earthworks move forward in the Ashley Hill and Narrowways area, we now need to carry out overnight piling work at Ashley Hill South.

We will be working a mixture of mid week and Saturday nights between 27 January and 10 March, from 2200 to 0800.

For more information, or about the Filton Bank Four Tracking project, pop along to the community room at:

St Werburgh's City Farm,
Watercress Lane, BS2 9YJ

- 31 January 2018
- 7 February 2018

We'll be there from 4.30pm until 7pm.

Working for you.
