If the Customer provides any document produced by Network Rail or any Contractor to a third party, Network Rail shall have no liability to such third party in respect of the use of such document for any purpose other than that for which it was produced and the Customer shall obtain prior written acknowledgement from the third party to this effect.

10.5 Network Rail shall have no liability whatsoever in respect of the use by the sub-licensee of any Intellectual Property provided by Network Rail to the Customer, and the Customer shall indemnify Network Rail from and against any and all Losses arising from the use by any sub-licensee of any Intellectual Property.

10.6 The Customer shall indemnify Network Rail from and against any and all Losses arising from the use by the Customer of any Intellectual Property other than for the purposes of the Project. Network Rail shall indemnify the Customer from and against any and all Losses arising from the use by Network Rail of any Intellectual Property other than for the purposes of the Project.

11. **COMPLETION**

11.1 When in its reasonable opinion Network Rail has completed such Services or Deliverables as constitute all or an identifiable part of the Remit, it shall notify the Customer.

12. **NETWORK RAIL COSTS**

12.1 [Subject to Clause 12.7.]

5 The Customer shall pay to Network Rail all reasonably and properly incurred Network Rail Costs and any other sums due under this Agreement in accordance with the terms set out in this Clause 12 and Schedule 2. For the avoidance of doubt, costs incurred by Network Rail as a result of a breach by or negligence of its Contractors are not reasonably and properly incurred Network Rail Costs.

12.2 Within ten (10) Working Days after the end of each Payment Period throughout the carrying out of the Services, Network Rail shall submit an invoice (with an attached breakdown and including any supporting information reasonably requested by the Customer) to the Customer

---

5 Applies where Clauses 12.5-12.10 are included.
in respect of the Network Rail Costs applicable to such Payment Period or any preceding Payment Periods, if not previously invoiced. Subject to Clause 12.3, payment by the Customer to Network Rail shall be without set-off, retention, counterclaim, abatement or any other deduction and shall be due twenty (20) Working Days after the date of issue of the invoice (the “due date for payment”).

12.3 Where the Customer intends to withhold all or part of payments of any amount claimed by Network Rail in the invoice, notice must be given to Network Rail not later than five (5) Working Days before the due date for payment under Clause 12.2. The notice shall state the amount to be withheld, the basis on which that amount is calculated, and the grounds for withholding payment. Unless such notification to withhold payment has been received from the Customer, the amount to be paid is that stated in the invoice which shall become due in accordance with Clause 12.2.

12.4 Should any invoice not be paid by the due date for payment in accordance with Clause 12.2 (except in respect of any amount determined not to be payable pursuant to Clause 19), interest shall be payable on the amount due calculated from the due date for payment up to and including the actual date of payment at the Interest Rate.

12.5 [Where Network Rail has provided a Feasibility Capped Costs Estimate, the Customer shall pay Network Rail the Network Rail Costs incurred in developing the initial Remit and providing to the Customer a Capped Cost Estimate for completing the Services, up to the Feasibility Capped Cost Estimate.

12.6 The Customer shall advise Network Rail in writing within twenty (20) Working Days of receipt whether it agrees the Capped Cost Estimate. If the Customer does not agree the Capped Cost Estimate then Network Rail shall produce a revised Capped Cost Estimate and the Parties shall endeavour to agree the revised Capped Cost Estimate (which may for the avoidance of doubt include amending the Remit).

12.7 If the Capped Costs Estimate is agreed in accordance with Clause 12.6, Network Rail will provide the Services and the Customer will pay the Network Rail Costs as incurred by Network Rail up to the Capped Costs Estimate.

12.8 Network Rail shall be entitled to adjust the Capped Costs Estimate as a consequence of a Variation except for a Variation of the type described in Clause 8.3(a) and (b).

12.9 If the revised Capped Cost Estimate is not agreed in accordance with Clause 12.6 then the Customer may, by not less than ten (10) Working Days written notice to Network Rail, terminate this Agreement provided such written notice of termination is given within twenty (20) Working Days of issue by Network Rail of the revised Capped Cost Estimate pursuant to clause 12.6.

12.10 If the Customer does not terminate this Agreement pursuant to Clause 12.9 then Network Rail shall be entitled to claim all reasonably and properly incurred Network Rail Costs, for the provision of the Services unlimited by the Capped Costs Estimate. The Customer shall be entitled to request Network Rail at any time to provide a Capped Costs Estimate and, where it is practical to do so, Network Rail shall do so.

12.11 If the Project progresses beyond the stage agreed in the Capped Cost Estimate the Customer shall pay any Network Rail Costs reasonably and properly incurred in relation to all Services and Deliverables provided thereafter together with any Network Rail Costs reasonably and properly incurred in excess of the Feasibility Capped Costs Estimate and the Capped Costs Estimate.]^6

13. **VALUE ADDED TAX**

13.1 Unless stated otherwise, all amounts referred to in this Agreement shall be deemed to be exclusive of VAT.

13.2 Where any taxable supply for VAT purposes is made under or in connection with this Agreement by one Party to the other the payer shall, in addition to any payment required for that supply, pay upon presentation of a valid tax invoice such VAT as is chargeable in respect of it.

---

^6 Clauses 12.5 to 12.11 to be included where Network Rail has agreed to offer Capped Cost Estimates. In certain circumstances Network Rail may agree to a fixed cost for the provision of Services rather than a Capped Cost.
13.3 Where under this Agreement one Party has agreed to reimburse or indemnify the other Party in respect of any payment made or cost incurred by the other Party the first Party shall also reimburse any VAT paid by the other Party which forms part of its payment made or cost incurred to the extent such VAT is not available for credit for the other Party, or for any person treated as a member of the same VAT group as the other Party under sections 25 and 26 of the Value Added Tax Act 1994.

13.4 Where under this Agreement any rebate or repayment of any amount is payable by one Party to the other, and the first Party is entitled to issue a valid VAT credit note, such rebate or repayment shall be paid together with an amount representing the VAT paid on that part of the consideration in respect of which the rebate or repayment is made and the first Party shall issue an appropriate VAT credit note to the other Party. When a credit is allowed to a Party and that Party is able to recover all the tax on the supply by the first Party as input tax, both Parties can agree not to adjust the original VAT charge in accordance with HMRC VAT Notice 700 paragraph 18.2.1.

14. LIMITATION OF LIABILITY

14.1 Save as otherwise expressly provided in this Agreement, neither Party shall be liable in respect of any Losses payable under or in connection with this Agreement except where:

(a) the aggregate amount of all Losses suffered by the relevant Party exceeds £10,000. (For the avoidance of doubt, (i) in such an instance all Losses can be claimed not just the Losses in excess of £10,000 and (ii) after payment of such Losses, no further claim shall be made until the earlier of any further Losses suffered being in excess of £10,000 or completion of the Services or termination of this Agreement); or

(b) the Losses are incurred as a result of, or sums are unpaid under, Clauses 12, 13 or 17.2.

14.2 Network Rail’s maximum aggregate liability to the Customer for any reason arising under, or in connection with, this Agreement or the Project including but not limited to breach of contract, in tort (including negligence), or for breach of statutory duty shall not exceed an amount equal to the Network Rail Cap. Notwithstanding the Network Rail Cap, where, in respect of the same event, Network Rail recovers any sums under an Insurance Policy, it shall pay such sums (if and to the extent that such recovered sums relate to loss suffered by the Customer and not by Network Rail itself) to the Customer. For the avoidance of doubt, any sums recovered by Network Rail under such an Insurance Policy and paid to the Customer shall contribute to the Network Rail Cap insofar as the Network Rail cap has not already been reached. Network Rail shall use reasonable endeavours to make such recovery (which shall include an obligation to make and diligently pursue a claim but shall not include an obligation on Network Rail to take legal action).

14.3 Clause 14.2 shall not apply to Losses incurred by the Customer as a result of:

(a) any liability in respect of death or personal injury resulting from a negligent act or omission or breach of statutory duty by Network Rail or any employee of Network Rail; and/or

(b) the fraud or fraudulent misrepresentation of Network Rail or the Contractor.

14.4 Any Losses suffered by either Party shall for the purposes of Clause 14.1 be reduced to the extent that they are caused by or contributed to by that Party’s own negligence or breach of its obligations under this Agreement.

14.5 The Customer agrees and acknowledges that where the Services involve Network Rail preparing or evaluating any proposed development train timetable, the operability of any such development train timetable will be subject to external factors (including evolving development, network capacity and access rights under the Network Code) and can only be modelled against the assumptions made at the relevant stage of development.

14.6 The Customer’s maximum aggregate liability to Network Rail for any reason arising under, or in connection with, this Agreement or the Project shall not exceed an amount equal to the Customer Cap. Notwithstanding the Customer Cap where, in respect of the same event, the Customer recovers any sums under an insurance policy (including any insurance maintained by a contractor employed by the Customer) or under any contract entered into by the Customer, it shall pay such sums (if and to the extent, that such payments relate to loss suffered by Network Rail and not by the Customer itself) to Network Rail. For the avoidance
of doubt any sums recovered by the Customer under an insurance policy or any contract and paid to Network Rail shall contribute to the Customer Cap insofar as the Customer Cap has not already been reached. The Customer shall use reasonable endeavours to make and diligently pursue a claim but this shall not include an obligation on the Customer to take legal action).

14.7 Clause 14.6 shall not apply to:

(a) the Customer’s payment obligations under Clauses 8, 10.6, 12, 13, 17.2 or Schedule 2;

(b) any Losses incurred by Network Rail due to the negligence (except to the extent that such negligence relates to the carrying out of any design by the Customer or any contractor appointed by the Customer7), fraud or fraudulent misrepresentation of the Customer or of any contractor appointed by the Customer (other than Network Rail); and/or

(c) any Losses incurred by Network Rail due to negligence in relation to the carrying out of any design by the Customer or any contractor appointed by the Customer which Losses shall instead not exceed an amount equal to the Design Liability Cap; and/or

(d) any liability in respect of death or personal injury resulting from a negligent act or omission or breach of statutory duty by the Customer or any employee of the Customer.

14.8 In no circumstances shall Network Rail or the Customer be liable to one another for any Indirect Loss (without prejudice to any express payment or indemnity obligation of either Party under this Agreement).

15. FORCE MAJEURE EVENTS

15.1 Subject to Clauses 15.2 and 15.3, each Party shall be relieved from liability for non-performance of its obligations under this Agreement (other than any obligation to make payment) to the extent that it is not able to perform such obligations by reason of a Force Majeure Event.

15.2 Each Party shall at all times following the occurrence of a Force Majeure Event:

(a) take reasonable steps to prevent and mitigate the consequences of such an event upon the performance of its obligations under this Agreement, resume performance of its obligations affected by the Force Majeure Event as soon as practicable and use reasonable endeavours in accordance with Good Industry Practice to remedy its failure to perform; and

(b) not be relieved from liability under this Agreement to the extent that it is not able to perform, or has not in fact performed, its obligations under this Agreement due to any failure to comply with its obligations under Clause 15.2(a).

15.3 On the occurrence of a Force Majeure Event, the affected Party shall serve notice on the other Party as soon as reasonably practicable and in any event within ten (10) Working Days of it becoming aware of the relevant Force Majeure Event. Such notification shall give sufficient details to identify the particular event claimed to be a Force Majeure Event and shall contain such relevant information relating to the failure to perform (or delay in performing) as is available, including the date of occurrence of the Force Majeure Event, the effect of the Force Majeure Event on the ability of the affected Party to perform, the action being taken in accordance with Clause 15.2(a) and an estimate of the period of time required to overcome the effects of the Force Majeure Event. The affected Party shall provide the other Party with any further information it receives or becomes aware of which relates to the Force Majeure Event and provide an update on the estimate of the period of time required to overcome its effects.

7 If Network Rail is not relying on any designs developed by the Customer, please delete the wording in brackets in 14.7(b) and 14.7(c) in its entirety.
15.4 The affected Party shall notify the other Party as soon as practicable once the performance of its affected obligations can be resumed (performance to continue on the terms existing immediately prior to the occurrence of the Force Majeure Event).

15.5 As soon as practicable following the notification described in Clause 15.3, the Parties shall use reasonable endeavours to agree appropriate terms or modifications to the Development Programme to mitigate the effects of the Force Majeure Event and to facilitate the continued performance of this Agreement.

15.6 If no such terms or modifications are agreed on or before the date falling three (3) months after the date of the commencement of the Force Majeure Event and such Force Majeure Event is continuing or its effects remain, then either Party may terminate this Agreement with immediate effect by written notice to the other Party. Upon termination the provisions of Clause 17 shall apply.

16. SUSPENSION AND TERMINATION

16.1 If the Customer is in default over payments of amounts properly due to Network Rail, and no notice of intention to withhold such amounts has been given pursuant to Clause 12.3, Network Rail may suspend performance of any or all of the affected Services subject to Network Rail first giving the Customer not less than five (5) Working Days’ notice of such intention and stating the grounds for suspension. Such right to suspend performance shall cease once the Customer makes payment of the amount due.

16.2 Either Party may by written notice terminate this Agreement with immediate effect if:

(a) the other Party commits any persistent or material breach of this Agreement (which shall include any failure to pay an amount of at least £10,000 which is due to the other Party) and, in the case of a breach which is capable of remedy, fails to remedy that breach within ten (10) Working Days (or such longer period as the terminating Party may specify) after receipt of a written notice giving full particulars of the breach and requiring it to be remedied; or

(b) the other Party becomes Insolvent.

16.3 The Customer may in any event terminate this Agreement by giving two (2) months written notice to Network Rail.

16.4 Upon issue or receipt of any notice of termination, Network Rail shall:

(a) reduce the expenditure under this Agreement as rapidly as possible;

(b) take immediate steps to bring an end to the performance of the Services in an orderly manner; and

(c) pass to the Customer a complete set of any documents, manuals or other information which the Customer may require in connection with the Project and which at the time of termination are in the possession or under the control of Network Rail.

17. CONSEQUENCES OF TERMINATION, OR COMPLETION

17.1 Upon termination of this Agreement or completion of the Services, as applicable, the obligations of the Parties under this Agreement shall cease except for:

(a) any obligations arising as a result of any antecedent breach of this Agreement or any accrued rights; and

(b) the provisions of Clauses 10, 12, 13, 17.2, 18, 19, and 21 which shall survive the termination or expiry of this Agreement and continue in full force and effect along with any other Clauses of or Schedules to this Agreement which are necessary to give effect to them.

17.2 If this Agreement is terminated for any reason prior to the completion of the Services, the Customer shall pay:

(a) the Network Rail Costs up to the date of termination; and

(b) except where termination is due to Network Rail’s negligence or Network Rail’s breach or Network Rail’s insolvency under Clause 16.2(b) or a Force Majeure Event under Clause 15.6;
an amount equal to the costs reasonably and properly incurred by Network Rail as a result of or in connection with such termination (including any amounts payable to the Contractor consequent upon termination of the relevant Contracts); and

(ii) such additional amount as is required to put Network Rail in the same after tax position (taking into account the amount of any relief, allowance, deduction, set-off or credit relating to tax available to Network Rail in respect of the payment received) as it would have been in if the payment had not been a taxable receipt in Network Rail's hands.

17.3 Termination of this Agreement is without prejudice to the rights of either Party which accrued before or as a result of such termination.

17.4 The Customer shall not be entitled to any payment or compensation or other rights or remedies in respect of loss of profits, revenue or goodwill in connection with the suspension or termination of this Agreement.
